Possibility Of Produce Packing House Here

At a meeting held last Monday in County Agent Byron Dyer's office the possibilities of establishing a produce packing house in Statesboro was discussed.

W. M. Elders, a well-known packing expert and a representative of Joseph Solomon Co., of New York, pointed out in this meeting that Statesboro and Bulloch county could be one of the largest tomato producing counties in the state. He stated that the soil in the county is very suitable for growing tomatoes. He also stated the "gap" in the market here was ideal, since the tomato crops would come off just at the end of the Florida market and just before the South Carolina market.

Mr. Dyer and Mr. Elders estimated that it would take a million plants to support a good market. If this market is established and the farmers decide to grow tomatoes the packing plant and shed will be located on the Central of Georgia Railroad where the Bulloch Stock Yards are now operating. Albert Green, Byron Dyer, George Bean, Dr. R. J. Kennedy and others were present at this meeting.

Holland To Rebuild

It was learned from a statement by Roger Holland that a new and modernistic building will be erected in the place of the Holland building that was gutted by fire last Saturday night.

Mr. Holland stated that the new building which is to be erected will be completely fireproof and of the most modern design. It is planned to build a two-story building divided into two or three divisions with office space on the second floor.

Mr. Holland stated that the building would be as long as the old one. He stated that it was his hope that the new building would be a credit to the business section of Statesboro.

Bulloch Herald Opportunity No 1

We at the Bulloch Herald know of a little girl, age about 12, who needs a pair of shoes very badly. This little girl had to stop school last week because it was too cold to go barefooted and also suffer embarrassment.

Wouldn't some of our readers like to see this girl go back to school? We believe we're readers who would. If you would like to see this girl return to school and made happy won't you please get in touch with us at the Bulloch Herald office?

Fire Guts Holland Bldg. Destroying Three Stores

Disastrous flames which swept through three stores and two second-story offices destroyed property estimated at \$60,000 here last Saturday night at midnight, in one of the most destructive fires in the history of Statesboro.

Channel-Type Terracing Liked

The some 50 farmers attending the demonstration on W. R. Anderson's farm last week approved the use of the channel type terrace.

Mr. Anderson's farm was one of the ones selected for demonstration purposes by the land-use committee and the supervisors of the Ogeechee River Soil Conservation district. H. G. Nasher, soil conservationist, for this section, representing E. D. Shaw Co., Boston, and Southcott Company, Jacksonville, stated that there never been an over production of the farm by Mr. Anderson and Mr. Chapman. These terrace lines were run just as other lines but a small slope-scoop was used to produce the dirt from the channel to the dam and then a land about 12 feet wide was broken by a turning plow to provide the channel above the dam.

Farmers Hear Cotton Specialist

If good sea island cotton seed are planted and the fight against boll weevils carried out, normal farming operations will produce a good staple and grade of long staple cotton, J. G. Jenkins was island cotton specialist, told the some 200 farmers attending the United Georgia Farmers meeting Friday night.

Mr. Jenkins recommended about 400 pounds of 3-8-8 fertilizer for sea island cotton. He stated that the Tifton soils in this section were adapted to this type of cotton.

Dr. P. M. Gilmer from the Bureau of Entomology and Plant Quarantine, recommended about nine dustings to control boll weevil infestation. This, according to Dr. Gilmer, will take from 65 to 75 pounds of calcium arsenate cotton produced alone will pay the cost of the dusting.

Mr. Ramsey recommended about 400 pounds of 3-8-8 fertilizer for sea island cotton. He stated that the Tifton soils in this section were adapted to this type of cotton.

subject for this month was "Growing a year 'round Garden." Miss Irma Spears, County Home Demonstration Agent, pointed out the possibilities of growing a wide variety of fresh vegetables every month in the year. She stated that in order to do this one would have to select a garden spot from the best land on the farm and fertilize it well.

All's Fair

What does one do when one has to write a column and you have had the flu, your friends have all had the flu, and all you can hear is "could I take de mesage? Mrs. so-and-so is in bed—she can't come to de phone?"

Well, that has been the situation in Statesboro now for nearly three weeks. One bright spot in this oasis of dullness is the new marquee down at the Georgia Theatre. We ventured down last night to hear Jeannette McDonald and Nelson Eddy in "Bitter Sweet" and long before we reached the theatre those ever-changing lights brought us to the street.

On the other side of the street watching the magic of the lovely lights almost like watching fireworks. Orchids to us, Mr. Macdon, for helping keep Statesboro right up in front in the Theater Spots.

We loved hearing Ruby Deal tell about her trip to Holyoke, Mass., to attend the wedding of Buster Deal and Helen Read. There was snow on the ground a foot and a half deep and one night as Ruby was coming from a dinner party complimenting the bride party and going to the church for the wedding rehearsal she ventured off the brick walk to play her slippery toe experimentally in the snow. She glanced up and saw a man watching the laughing group. There was something vaguely familiar about this man—but feeling quite certain that she knew no one so far away from home she started to catch up with the rest to whom the snow was no novelty. The man

Lenora Parker here last week getting ready after a hectic time house-hunting in Atlanta. We're going to miss Lenora.

Plans going forward for the President's Ball, basketball games at the Gymnasium and at the college, Music Appreciation evenings, Book reviews, Public Forums, and meetings of our various clubs, and hundreds of lovely new books down at the Library, and the newest pictures at the show, all offer entertainment for everybody in town.

Only recently we heard a newcomer to Statesboro remark in that town was one of the biggest little towns they'd ever lived in. We need to hear such things about our town for those who live here are apt to forget the many opportunities we enjoy from both cultural and entertainment standpoints.

As ever, Jane.

STATESBORO FOLKS ENJOY TAVERN AT HOTEL DeSOTO

Probably no point of social contact in the entire Southeast has developed greater popular appeal this winter than the Tavern, operated by the Hotel DeSoto, in Savannah and its management has indicated a specially warm brand of hospitality for the people of Bulloch and other communities in the Coastal Empire.

Notwithstanding the luxurious appointments and service of the tavern and the nationally known musical organizations it employs, no cover charge whatever is in vogue and individuals or parties desiring a perfect evening in Savannah may enjoy themselves at the Tavern and pay the most modest prices for the food or refreshments they require.

Just recently Chic Herr and his famous 5-piece dance orchestra came to Statesboro to entertain the Tavern, through special arrangements.

Statesboro people may easily spend such an evening in the Tavern and be back home in time for bed and many are taking advantage of the opportunity.

Kenneth Wolfe, assistant manager and for many years Tavern host, is nightly on hand to greet his friends there.

SHS Offers
Woodworking
To Men 17-25

Monday of this week the Statesboro High School began offering courses in woodworking to young men between the ages of 17 and 25 years.

Mr. Charles L. Logue, teacher of agriculture of the high school, stated that the courses are being offered in cooperation with the National Defense program.

Mr. Logue pointed out that anyone out of school either in Statesboro or the rural sections of the county, could qualify for the course. The purpose of the course is to give instruction that will better fit young men for employment. The courses are offered at no cost. The National Defense Program and the High School will furnish the material necessary for the training.

The class will meet five times a week from 7 to 10 o'clock in the evening. The course will last for eight weeks. At the completion of the course a certificate will be awarded for proficiency in semi-skilled carpentry work.

Anyone interested in this type of training may see Mr. Logue at the Statesboro High School or at the West Side School.

Help, please help . . . ! The Bulloch Herald will pay anyone 10 cents a copy up to ten copies for the issues of January 16th and January 30th. Last week we sold completely out. This week we need one or two for our permanent files. So any of you readers who would like to sell your issues of the local paper, bring them in and we will give you one dime for each copy, up to ten copies.

The committee of farmers and business men handling the details for the fat stock show and sale April 3rd will hold its first meeting of the year Thursday afternoon.

J. E. Hodges, general chairman of the committee, stated that the recommendations of the state meeting for the shows and sales will be reviewed and incorporated in the local plans for 1941.

More farmers are feeding cattle for the show this year than in 1940. The 4-H club and the county have about 50 more steers than last year. The Future Farmers are also finishing more steers for this show.

Along with the increase in numbers of cattle for the show, there is a decided increase in quality of cattle on feed over previous years. The bulk of the cattle will be stuff bred and raised in this section. However, a few Texas steers are on feed in the county and some 25 good Hereford steers from Tennessee.

Top cattle, \$9. to \$10.; medium cattle, \$8. to \$9.; small cattle, \$7. to \$8.; beef field run steers, \$6. to \$7.50; beef field run heifers, \$6. to \$7.50; Canners, \$4. to \$5.; Cutters, \$3.25 to \$4.25; Bulls, (1000 lbs.) fat, \$6. to \$7.; Feeders showing breeding, \$7. to \$8.; Common Feeders, \$5.50 to \$6.

LAND USE PROBLEMS
The major land-use problems in Bulloch county will be discussed over Radio Station WTOC Wednesday, February 12, 12:45 p. m.

W. R. Anderson, N. J. Cox, D. F. Driggers and H. L. Allen will present these problems at a physical examination of the county during 1940. These men were the chairmen of the community committees named by the United Georgia Farmers to make the study.

"GONE WITH WIND" RETURNS TO STATESBORO

Lester Pines Sold To
Darby For \$30,000

One of South Georgia's most beautiful tracts of pine timber will go under the ax immediately, according to a lease filed in the office of the Clerk of Bulloch county.

According to the lease Mr. F. W. Darby, trading as the F. W. Darby Lumber Company, purchased the timber for \$30,000.

The lease is signed by D. B. Lester, Sr., Mack B. Lester, Eunice Lester, Leah Lester, Mann, Hamp P. Lester, Mrs. Ruth L. McLeod, R. Fleming Lester, Mrs. Mary Lou L. Sewell and Hugh E. Lester. The lease was filed with the clerk on February 1 at 12:30 o'clock.

The terms of the lease calls for a payment of \$12,600 in cash and \$17,400 payable by three notes of \$6,000 each. The lease will expire on January 29, 1942 but carries a right of extension.

The tract known as The Lester Pines contains 238¹/₂ acres of timber. All trees measuring 9 inches or more at 12 inches above ground level are included in the lease.

This week we know of a lady, age about 55, who has twelve children, and a very sick husband. She needs a pair of shoes, size 5¹/₂. We know there are lots of people who have an old pair of shoes in your home. If you do, call us at the Bulloch Herald. We are sure this woman will be happy to receive them.

Mr. F. N. Grimes, chairman of the Bulloch county Selective Service Board announced this week that the board has received and been selected for induction into the United States Army. They are: Harold Jacob Smith, Pete Frawley, Harold Perman Rimes, Quinton Hale, Oliver Finch, Jr., Owen Kelly Spence and Howard Fullmore. Fullmore is a volunteer.

The request also included establishing a CCC camp in the county as soon as practical to assist with the soil conservation work.

TO MAKE REPORT ON INFANTILE PARALYSIS DRIVE NEXT WEEK
It was announced here today by Jim Coleman and Mrs. Alfred Dorman, chairmen of the Infantile Paralysis Drive, that a final report will be made next week. The delay is caused by the fact some sections of the county have not reported. From all indications Bulloch county will have a fine report to make.

ED MARTIN TO STAND TEST FOR NAVY POLICE
Mr. Ed Martin, son of Mrs. C. M. Martin, left Statesboro last night for a physical examination at the Naval Hospital at Charleston, S. C. Mr. Martin is seeking a place in the Naval Police and if he is accepted will be stationed at the Charleston Navy Yards.

County Forum
Meets Tonight
At Brooklet

The February meeting of the Bulloch County Public Forum will meet at Brooklet tonight (Thursday) at 8 o'clock.

According to a statement made this week by Leode Coleman, permanent chairman of the Forum, the members of the Bulloch County Land Use Planning Committee will form a panel discussion with Byron Dyer, county agent, leader.

Mr. Coleman stated that the committee plans to use the results of a survey of the problems of the county made last year as a basis for the discussion. The committee found more than twenty major problems existing in the county and intend to group these findings into three heads: People, Land, and Income.

Mr. W. H. Smith is chairman of the Land-Use Planning Committee. There are about twenty-five members of the committee. This meeting is the fourth since the Forum was organized in November of last year.

The meeting will be held in the auditorium of the Brooklet High School and will begin at 8 o'clock. The public is invited to participate in the forum.

LadiesExchange
Outgrows Mart

A group of marketing chairmen from the Home Demonstration Clubs met Saturday afternoon in the Home Agent's office. A discussion of the Women's Exchange was given by Mrs. W. W. Edge. It was reported that the market has improved greatly in the last three weeks. The extension being so great the plans must be made for larger quarters with individual stalls for each club.

Mrs. L. F. Martin, the County Marketing Chairman, brought out the point that much of the success of a market in this county would largely depend upon a variety of high grade products, well wrapped.

Miss Irma Spears, the County Home Demonstration Agent, pointed out the fact that 4-H club members would take part in the market to start their own spending money. She also stated that the 4-H Club program in February would be marketing with illustrations of the things they might sell.

Act May Place
Sheriff On Salary

It was revealed here this week that there is a movement being made to place the sheriff's office of Bulloch county on a salary basis.

According to a statement made by Harry S. Allen and Dr. D. L. Deal, members of the House of Representatives, they are contemplating introducing at this session of the General Assembly a bill to change the Sheriff of Bulloch county from a fee to a salary basis.

The office of the clerk and the Tax Commissioner have recently been placed on a salary basis.

Rumor That John Duncan,
Bulloch AAA Secretary, To
Be Fired Has No Foundation

In response to an inquiry regarding the affairs of the Bulloch County AAA Office after his recent visit in Statesboro last week, Mr. T. R. Breedlove, Administrative Officer in Charge, said today that rumors to the effect that Mr. John P. Duncan, Secretary to the Bulloch County Agricultural Conservation Association Committee, was to be dismissed by the AAA were absolutely without foundation.

"Someone has been doing Duncan an injustice in fostering a rumor as he is one of the county AAA men in the State of Georgia," Mr. Breedlove added, "since Duncan has been in Bulloch County, administrative expenses have been reduced, allotments have been issued the earliest in the history of the county and AAA checks are about two or three months ahead of previous years. No further comment is needed from me as the records in the office will show that the administration of the program in Bulloch County has shown a marked improvement since the employment of Duncan."

When asked to comment on the possibility of Mr. Duncan being transferred, Mr. Breedlove declined to make a statement other than that no move was contemplated for some time. He said it was impossible to predict when a move would be made, as many AAA men were being lost to the county. Mr. Duncan was constantly in demand.

There are 18,300 miles of REA lines completed in Georgia today. These lines are being completed at a cost of \$10,000 to serve 2,188 farm families.

In the contract for the C part of the project, the additional miles are being completed that will give the corporation near 900 miles of lines. About 72 per cent of these lines are in Bulloch county.

Rites Held For
Mrs. B.A. Davis

Mrs. B. A. Davis, age 85, widely known Bulloch county woman, died at her home at Port Sunday, Georgia, Saturday, January 19, 1941. Funeral services were held Monday afternoon at 2:30 o'clock from the Port Baptist Church with Rev. William Kitchers, Jr., 41 appropriation. These loans are amortized over a period of forty years, with three percent interest on the face value of the note. These loans may be paid off any time within the forty years.

On these farms, Mr. Akins and Mr. Deal plan to develop into their regular farm enterprise a good livestock program, this will consist mostly of hogs.

Each of the borrowers that receive money through the Tenant Purchase Division keep a record of their farm expense and farm income. This gives them an accurate statement as to their net worth and whether they are making a profit on their farms. We are very much pleased with the progress that has been made with the other twenty-nine borrowers in Bulloch county, and especially in record keeping.

NEVILLS P.T. A. TO SPONSOR BOOK SHOWER
The February Finance-Hospitality Committee of Nevills Park Teachers' Association is planning a book shower for the school library on Thursday afternoon, February 15th, at the home of Mrs. Ethel Proctor. Several dried goods have been invited to call during the afternoon.

SAM ROSENBERG
OPENS FIRE SALE
According to Mr. Sam Rosenberg he will hold the greatest fire and sacrifice sale ever held in Statesboro. Mr. Rosenberg states that the majority of the \$20,000 stock he is now offering for sale will be sold below wholesale cost. His sale will be held on West Main street (the street where anything can be had) next door to Rex's Package Shop.

It pays to advertise. If you do not believe it ask L. J. Shuman of the L. J. Shuman Grocery Store, and Mr. Sasser of the Sims store.

Last week both these grocery stores ran large advertisements in The Bulloch Herald, and they were swamped with business. Managers of both stores report the largest Friday and Saturday business they have ever had.
